Six Injured In Car Crash Near Minden

Six persons were injured in a two-car crash on Highway 35 near Minden last Saturday which resulted in an estimated \$4,000 damage.

Lindsay hospital authorities said Douglas Tripp, 38, of West Hill was in satisfactory condition with chest and internal injuries, and Arthur Mackowiak, 31, of Buffalo, N.Y., was listed in fair condition with chest injuries and lacerations to his face.

Hospital authorities said the other injured persons were all released after being kept overnight.

Mrs. Bernice Tripp, 29, and a

daughter, 8-year-old Susan, who were along with three other children passengers in the Tripp car, sustained minor injuries in the crash, police said.

Gerard Boinski, 26, of Buffalo, driver of the second car involved, sustained facial lacerations and cuts to his knee, and Norbert Kopacz, 50, of Buffalo, also a passenger in the Boinski car, sustained an injury to his nose, said hospital authorities.

Minden O.P.P. said the Tripp car had been northbound on Highway 35 and the Boinski car was southbound when they met on the crest of a hill.

Mary Poppins Play Opens

This is a final reminder that Lakeview Public School's big production of "Mary Poppins" is to take place this weekend.

The amount of time and work which has gone into the preparation of this musical play assures a highly enjoyable performance, and it is hoped that a large audience will respond at each of the three performances. They are Friday evening at 8:00 p.m., Saturday evening at 8:00 p.m. (Admission: Adults \$1.25, Children .75c), and the special Children's Matinee on Saturday at 2:00 p.m. (Admission .25c). Young children must be accompanied by adults.

All performances take place in the Auditorium of the Haliburton Highlands Secondary School.

Former Minden Boy Honoured At Lakefield

Mr. Ronald Welch, Senior Clerk for Ontario Hydro at Lakefield, has been transferred to Frankford after 14 years service in that community.

During these years he and his wife Pat have served in many capacities, both in the Church of St. John the Baptist and the municipality.

The neighbours and friends staged a "going away party" and presented them with a China Coffee Set. Mrs. Gastel, Super-

intendent of the Sunday School, entertained and the family were the recipients of farewell gifts.

Dinners were tendered by several groups, and deep regret was expressed at the parting.

Ronald leaves as a memento of his craftsmanship in St. John's Church a carved cross and hymn boards, which were dedicated.

The family visited with his mother, Mrs. Harry Welch, in Minden over the weekend.

Haliburton Bantams Defeat Wellington

The Haliburton Bantams are just like old man river, they just keep rolling along. On Sunday afternoon the local Bantams kept rolling along once again as they defeated the Wellington Bantams by the score of 4-2 in the first game of their best two out of three O.M.H.A. Semi-Final Playoff series.

Playing in Haliburton before the largest crowd of the season, the Haliburton team played good both offensively and defensively right from the start to the finish.

Wellington opened very strong in the first five minutes of play, and it was only through the goaltending of Dennis Good that kept Wellington from scoring. He stopped shot after shot as Wellington tried to take the lead. After this Haliburton took over and carried the play to Wellington as they swarmed the opposition goal time after time and doing everything but scoring. Haliburton missed many good scoring opportunities as Cameron Botting hit the goal post on two different occasions.

At the 13:55 mark of the first

period Haliburton got the first goal of the game when Cameron Botting scored his first of three goals on a pass from John Wilson. With one second left in the opening period John Wilson netted a marker to give Haliburton a 2-0 lead. This goal was strongly protested by Wellington as they thought the period was over.

In the first minute of play in the second period the Haliburton team put the game on ice when Cameron Botting scored two fast goals within 23 seconds, and the local Bantams then had a commanding 4-0 lead.

Wellington came back with two goals in the third period but it was a case of too little too late. The final score was Haliburton 4 Wellington 2.

The second game of the series will be played in Wellington this Saturday night at 8 p.m., and a third game if needed will be played at the Haliburton Arena on Saturday night, April 6 at 8 p.m.

We understand that the game on Sunday afternoon was the first defeat of the season for the Wellington Bantams.

Bank Of Nova Scotia To Open At Wilberforce

The Bank of Nova Scotia has announced the opening of a new branch office in the Village of Wilberforce on Monday, April 1. Mr. L. R. Breakenridge will be the officer in charge.

Banking hours will be from 10:30 a.m. to 2:30 p.m. on Monday, Tuesday, Wednesday and Thursday, and 10:30 a.m. to 2:30 p.m. and 4:30 p.m. to 6:30 p.m. on Friday.

We understand that the new office is situated next to Agnew's Red & White Store.

Defective Wiring Not The Cause

In reporting a fire which occurred at the home of Mr. and Mrs. Wayne Roberts on Friday, February 29 it was stated that the cause of the fire was due to the electrical wiring. This casts a reflection on those responsible for the wiring and the installation of electric heating with which the home was equipped.

Investigation by an electrician and a representative of the H.E.P.C. revealed that there was no electrical wiring whatever within ten feet of where the fire actually started.

Minden Bantams Play Saturday

Schomberg and Minden are having quite a series in the O.M.H.A. Bantam 'E' Play-offs.

Schomberg won the first game at Haliburton last Friday night, and in the second game played in Schomberg it came out a 3-3 tie.

The third game is scheduled for the Haliburton Arena this coming Saturday night at 8:30 p.m. This will be a must game for the Minden club as they must win to stay in contention, so they will be going all out to gain a victory.

For thrilling hockey action on Saturday, don't miss this all important game.

Open House Held

On Monday, March 25 a successful "Open House" was held at the School for Retarded Children in Tory Hill. The parents and friends who were present were interested to see the work that is done by the pupils.

Mr. Roy Hoare, a teacher at the Public School in Wilberforce showed films of interest to all. The members of the John F. Kennedy Branch of the Haliburton Association for the Mentally Retarded sold refreshments, and the proceeds of the evening will help the branch in their work for the mentally retarded.

Minden Bantams Tie After Losing First Game

Minden Bantams were on the short end of a 7-3 score in a play-off game played before over 250 fans in the Dysart Community Arena here on Friday evening last.

The score was hardly indicative of the play, as Minden appeared to have nearly as many good scoring chances as Schomberg but were either hitting the post or missing the net on numerous occasions.

Scoring for the winners were Black with five and the other markers went to Wilder and Milner. For Minden it was Bev Hicks performing the hat trick.

It was a welcome sight to see so many citizens from Minden, who were present to lend encouragement to their team. This

young team is worthy of their support.

In the second game played in Schomberg last Saturday afternoon the Minden Bantams managed a 3-3 tie. Led by Bill Leary with two goals and Jeff Campbell with one, the Minden club played one of their best games of the season.

Tim Hughes, a strong aggressive right winger, was given the job of checking David Black, the star scorer of the Schomberg team. Hughes did a great job as Black was held to only one goal in this game. Wayne Moxam continued his fine play in the Minden net.

This was fine fast entertaining hockey, and we hope to see these two teams play again.

Association Concerned At Sewage Delay

The executive officers of the Haliburton Businessmen's Association met in the office of Mr. F. A. Irwin on Wednesday evening when various matters having to do with the progress of this area came up for consideration. Store hours for the summer months came in for considerable discussion, and it would appear that the great majority of the businessmen are in agreement on this matter. However, final approval will have to be secured at the general meeting which is to be held on Tuesday, April 23.

Another item of business discussed was the clean up campaign. It was agreed that while considerable co-operation was received in this regard last year there are still many buildings which could be brightened up and many areas littered with trash that should either be burned or taken to the dump.

The matter of enlarging the executive to nine members was given consideration, and the general meeting will be asked to approve this move.

Members of the association are

apparently not very optimistic regarding the possibility of maintaining eight hour service at the local office of the C.N.R. In the opinion of the executive it would appear that the only way to prevent a curtailment of such service as we now have would be a confrontation with the Minister of Transport.

It was recommended that the association consider joining the Chamber of Commerce and thereby obtain a listing in their annual booklet.

The hope was expressed that in some way the installation of sewage in this area could be speeded up. Businessmen here in particular realize that with the ever increasing number of septic tanks being installed pollution of Head Lake may be just around the corner. The statement made at the hearing held recently by the Ontario Water Resources Commission that it might be three years before sewage can be installed here was anything but comforting to those who would like to see this village go ahead.

Bell Expanding Telephone Service

Since the Bell Telephone Company of Canada took over the Dysart Municipal Telephone System they are systematically extending telephone service to every part of the County. Already they have installed some sixty new telephones, but still have a heavy backlog of applications to process.

We understand that the new building to house the dial equipment is to be constructed in or near West Guilford in the near future to take the place of the one now operating there, which is inadequate to care for the ever increasing need for phone service.

While dial phones will not be in use in Haliburton for some time, two new switchboards are to be installed which will require the employment of two additional operators.

There have been a few complaints lately to the effect that it takes a little longer to get the operators at the Haliburton exchange than it used to, but this is no doubt due to the increase in the number of new telephones which have been installed during the last two months.

Weather Report

At the present time the weather in the Haliburton County area is very mild and sunny, with the temperatures ranging in the high 50's and low 60's. The streets are now all bare, and only a small trace of snow remains on the ground. Ice still remains in most of our lakes but with some rain and warm weather the lakes will soon start to open up.

HALIBURTON NEWS LETTER

A former resident of Haliburton, Harry MacBrien, passed away last week in Creemore, where he had resided for a good many years. Prior to leaving here he operated a restaurant where the present Highlander Restaurant is located. Some time around the year 1910 he sold the restaurant and went into the bakery business which he sold to the late Reg Dart before he went to Creemore. The late Mr. MacBrien was quite prominent in the Masonic Order and was Worshipful Master of North Entrance Lodge in the year 1908, and again in 1915.

As this paper goes to press a meeting is being held in the Dysart Arena Auditorium, which

Dart Tourney Held At Haliburton

Two dart teams from Branch 67 of the Royal Canadian Legion, Lindsay participated in the Zone F4 Legion Dart Tournament held in the Haliburton Legion on Saturday, March 23.

After some real competition the Lindsay team of Doug Worrell, L. Whiteside, Fred Musson and Carl Schroter were successful in taking home top honours. Kinmount placed second with Omamee taking third.

Teams participating were two teams from Lindsay, two teams from Kinmount, two from Omamee, and three teams from Haliburton.

Board Discusses New Health Unit

The Victoria - Haliburton Counties Health Board members in a day long session on Tuesday may have accomplished several progressive steps toward the opening of the two-county Public Health Unit.

An architect was duly appointed and sketch plans were accepted for renovations to downtown property owned by Lindsay developer Russell Taylor. The sketch plans will be presented to the Ontario Department of Health for approval.

Victoria - Haliburton Public Health Officer Dr. A. G. Bailey told board members the present 3,000 square feet area of the ground floor level of the Taylor property will be adequate for the initial phases of the program.

Attending the meeting were the two members appointed by the Haliburton County Council, Reeves Charles Brandon and Roy Brohm, and three members appointed by Victoria County Council, Reeves Robert Thompson, Milburn Hutchinson and Rev J. B. Harrison. Ops Township Reeve Milburn Hutchinson is the chairman of the board.

MAPLE LAKE

NEWS NOTES

Mr. and Mrs. Don McMurtry and girls of Oshawa and Miss Sandra Morrison of Winnipeg were home on Sunday.

Mrs. Carrie Morrison returned to the O.P.P. of Toronto General Hospital for her clinic appointment on March 18. The doctor reports her progress very favourable, and sees no immediate need for surgery at this time. She is continue with regulations as set out for her in December.

Welcome home, Placida. Your friends are glad you had such a lightful holiday in your native land, Jamaica.

Mr. and Mrs. Rex Metcalfe and son of Toronto were visitors in the community during the school holiday.

Mr. and Mrs. Herbert Fountain attended the Golden Wedding Anniversary of Mr. and Mrs. Walter Hopkins in Peterborough on March 16.

The ladies of the community gathered at the home of Mrs. Stewart Dawson for a Surprise Stork Shower for Mrs. Ray Cook one afternoon. She received many useful gifts.

Mrs. Lyla Dickson and two boys of Galt were holidaying with parents and relatives over the school holiday.

Mr. and Mrs. Stewart Dawson were happy to have their family home over the weekend, Mr. and

Mrs. Harold Dawson and Tracy of Ottawa, Mr. and Mrs. Russell Hogg of Toronto and Mr. Earl Dawson of Toronto.

Mr. Nelson Ownes called on Mrs. Annie Fountain on Sunday evening.

The weather shows signs of Spring, but old man winter still gives us showers of snow. Over Saturday night three to four inches of snow fell in our district, which delighted the ski dooers.

Mr. and Mrs. Napier Simpson Jr. and children were home to Elagdon Hill over the weekend and enjoyed the ski-doo weather.

We are sorry to hear Julie Harrison is in hospital. Her friends wish her a speedy recovery.

Comment By R. Glen Hodgson, MPP

Larger Units Of School Administration

On March 15th the Minister of Education, the Honourable William Davis, moved first reading of the bill to establish Boards of Education on a county-wide basis in Southern Ontario and to designate similar larger units of school administration in Northern Ontario.

The Minister described the legislation as the most significant development in the organizational structure for education in the history of the Province.

He stated that the major goal of the reorganization is to create educational jurisdictions capable of extending equal educational opportunity to all children in the Province. It is a continuation of a program of consolidation begun many years ago with the ultimate goal of insuring equality of educational opportunity for all of our children.

The legislation is based on several guiding principles:

1. All children, regardless of their so-called station in life, the particular nature of their individuality, or the chance of their geographic location, have a right to equality of educational opportunity.
2. The program of public education should be a continuous and integrated process from Kindergarten to Grade 13.
3. All members of a school board should be elected to office by a direct vote of the people.
4. Boards of education responsible for providing educational facilities, services and personnel, should be fiscally responsible directly to the electorate for their financing of the current and capital costs of education.
5. The Department of Education, through the legislative grants and the services of its specialized personnel, should be responsible for equalizing the educational and financial differences that may still remain among the boards of education due to variations in population, or geographic, economic and financial considerations.

The Minister stressed the importance of this legislation as it relates to programs for special education. He pointed out that the results which were emerging from the increasingly effective co-operation between medicine, psychology, education and sociology, where it has been possible to provide for specialists in these fields to work together, will now be made available on a broader basis. In other areas, the regional office of the Department will make available needed special services to boards such as in Haliburton County.

In addition to the educational advantages, the larger units will be supported by a broader tax base of reasonable stability and predictability. The cost of the total educational program will be spread across the entire tax base, thus eliminating many of the inequities which now exist among the present boards. The creation of new units will permit the development of a simplified grant designed to reduce further and imbalances which may still exist.

Under the new legislation, the boards of education will be responsible directly to the electorate, and subject to the approval of the Ontario Municipal Board with respect to capital expenditures, will be responsible for local financing of education within their areas of jurisdiction.

Education tax bills will be distinct from those issued for other municipal services. The tax bill will indicate clearly the mill rates for public and secondary school purposes, the amount of tax in each case, and the total

amount of tax for education. Every ratepayer will be able to understand clearly the amount he is contributing for educational purposes.

The Minister paid tribute in his remarks to the suggestions and overall contribution made in the development of the program by the various trustee organizations, the Teachers Federation, and other interested groups throughout the Province.

Amendment To The Community Centres Act

The Minister of Agriculture, the Honourable William A. Stewart, announced amendments to the Community Centres Act to bring the legislation in line with current requirements.

Whereas grants under this Act in the past were based on 25% or a maximum of \$5,000 for any single project, these will now be increased substantially and the base upon which municipalities may participate is being broadened.

The new grants system will provide for 25% of the cost of a community hall, skating arena, athletic field, or outdoor skating rink, with a maximum grant of \$10,000. In the case of an indoor or outdoor swimming pool the grant will be to the extent of 25% of the cost, with a maximum grant of \$15,000. If the grant is to be used for building a combined community hall and skating arena, it will be to the extent of 25% of the cost, with a maximum of \$20,000. In the case of a combined community hall and swimming pool, the grant will be 25% of the cost to a maximum of \$25,000.

Another amendment to this act provides the means whereby

municipalities may join together in providing a community centre, with each municipality eligible to receive grants. The combined grants will be limited to a maximum of 50% of the cost of providing these facilities.

The original and continuing intent of this Act was to encourage and provide a means whereby community centres and recreational facilities would be established in all areas of the Province.

Since 1948 when the Act went into effect, until March 31, 1967, the Department of Agriculture and Food has paid a total of \$474,745.71 in grants to provide these community facilities. There were 279 grants made toward the cost of providing arenas, 169 on combined arenas and community halls, 1397 on athletic fields, 270 on outdoor rinks, 776 on halls, and 206 on swimming pools.

Both urban and rural municipalities, including Indian reserves, qualify for these grants, although the impact of the program has been much greater upon rural communities where, prior to the introduction of the Act, there existed few — if any — alternative facilities for recreation or other organized community activities.

These amendments clearly indicate the importance with which the Ontario Government views the local community as a social, business, education and recreational centre. By increasing the allowable grants toward the provision of these facilities, the Government is not only assisting the local communities to meet the rising costs of labour and materials but is encouraging residents, young and old, to participate in community activities.

'TIS A TAXING TIME

When he smacks us
With taxes,
The Minister says
It's to battle the beast of inflation.
It's for our own good,
And everyone should
Stop roaring with deep
indignation.

Pretty rotten doggerel, but I hope I speak for the rest of you serfs when I serve warning to all levels of government, here and now, publicly, that we've had enough.

With one more tax hike of any kind, the Fall of the Bastille, and the October Revolution of 1917 will look like a couple of Sunday School outings. The gutters will run with blood, and heads will roll.

I've never seen a gutter running with blood, but I don't think it would bother me much. Not this month, at any rate. And how would the head of the Finance Minister look, tucked on the end of a pike? It certainly wouldn't do much for his image, in the Liberal leadership race.

Remember what happened to the British when they went too far with taxation! It was a nice cup of tea, with Boston Harbor as the teapot. Shortly afterwards, they had lost half of North America.

Eighteenth-century France had absentee landlords. We have absentee M.P.'s. But the real cause of the French revolution was oppressive taxes. The absentee landlords lost their heads. Some of our absentee M.P.'s may lose their seats. And if you want to be vulgar, there's not that much difference, come to think of it.

Same story in Russia. Inflation and taxation. Ivan was making four kopecks a day. It cost him three to live, one for taxes. The Czar jacked up the tax on vodka by one kopeck and something had to give. It wasn't Ivan.

Now I'm no George Washing-

ton, Robespierre or Lenin. But I do have a shotgun, and when our leader emerges, I'll be there, fully loaded — if I can afford a jug at current prices — and shouting bilingually, "A bas les taxes!"

I don't want to sound unreasonable about taxes. Some are essential. Education taxes, for example. We've got to keep the kids off the streets somehow, and at the same time turn them into potential taxpayers, so that we'll be able to draw our old-age pensions.

And I don't mind contributing to those same old-age pensions and help for the crippled and the blind and the helpless. Nor do I mind paying for sewers and garbage collection and street lighting.

But I do object to subsidizing the free-loaders: the credit card boys who can write off entertainment, drinks, food, travel; the crafty knaves who use unemployment insurance as a private bank; the shiftless dogs who revel in welfare as a way of life.

It irks me to help maintain an armed force, fine chaps all, but one which couldn't defend this country against a determined attack by Iceland.

As a motorist, I am willing to pay heavy gas and car taxes and licence fees so that roads may be built. But I have an admiration for taxes on building materials and clothing and a contempt for taxes on restaurant meals and entertainment.

At the moment, my pet hate is paying taxes for a new municipal snow-blower that throws up on my lawn a filthy mixture of snow, salt and sand. Guaranteed to kill lawn, flowers and probably trees.

The list is endless and arbitrary. But I know I'm not a lone voice crying in the wilderness. I'd be happy to hear from others who are ready to respond when our leader cries, "Aux barricades, all youse who are ground in the mills of the tax gods."

Uncle Dudley's Column

As we have just passed the anniversary of Ireland's Patron Saint, St. Patrick, I am reminded of the many changes in our way of life over the last century. It is interesting to note some of these advances in our way of living.

In the matter of transportation and communications we see some of the most drastic advances.

In terms of years, probably the age of steam was one of the most short lived periods in our history. Actually it was only in universal use about 100 years, give or take a few.

Before the days of steam as a driving power, sail was the universal power and was dependent on the elements. Various types of vessels were used from the Chinese junk to the pleasure yacht, and from the fast clipper ships in the sea trade from China to Britain around the Horn (no Panama Canal in those days) to the larger and slower passenger boats.

As a young boy I well remember my grandmother's stories of her experience on a sailing ship from County Down in the Emerald Isle to Canada, the Land of Promise. It was a rough passage and about six weeks was spent on board ship, with little of the conveniences in today's ocean going vessels. As we think of today's operations, breakfast in London, lunch at Gander and dinner in Calgary or Edmonton, this length of time for an ocean crossing is very hard to believe.

As we look to the future it would seem that we soon would approach the ultimate in the way of air travel. If all the resources that are now available for the use of man was utilized for man's good, rather than the abuse of our wonderful discoveries, what a paradise this old sin cursed world would be.

Many are looking forward with hope to the end of the age. Truly the signs are evident in every land. Who knows? Who knows?

Did You Know

Ontario Hydro takes elaborate precautions to minimize air pollution? By 1970 the Commission will have spent more than \$30 million on air pollution control at its coal-fired plants.

Vittoria Formica for the past three weeks.

Mrs. Louise Yarnold who has been very ill is able to be up and around again.

Mr. and Mrs. Elwin Robertson returned home over the weekend following a week's vacation in Bermuda.

Mr. Stewart Steed of Oakville spent a few days with his grandmother, Mrs. Louise Yarnold, who has been quite ill.

Mr. and Mrs. Hans Wohnfuerter, Robin and John of Etobicoke spent the weekend at their cottage on Drag Lake.

SNOWDON TOWNSHIP COUNCIL

The regular meeting of the Snowdon Township Council was held with the Reeve and all members of Council present.

The minutes of the previous meeting were read and adopted on a motion by Gerald Hicks, seconded by Steve Hancock.

On a discussion of the 1968 road programme, it was decided to apply to the Department of Highways again to have them take over the Minden Road as a development road; this had been refused on a previous request.

It was moved by Ralph Young, seconded by Grace Simmons that Council is not in favour of the request of the Minden Area School Board regarding the addition to the school building in Minden.

Moved by Gerald Hicks, seconded by Steve Hancock that Council members arrange a meet-

ing with members of Glamorgan Council some time in the Spring regarding the Salerno Lake Road.

Moved by Ralph Young, seconded by Gerald Hicks that Council is in favour of the option as presented by John Fleming at one hundred dollars plus one dollar per ton for all uranium concentrates and that the Reeve and Clerk be authorized to sign, and if the option is exercised all taxes and costs against the property will be paid on the expiry date, February 7, 1969, and at that time clear title will be given.

Moved by Ralph Young, seconded by Gerald Hicks that Road Voucher No. 2 amounting to \$998.00 be paid.

Moved by Ralph Young, seconded by Gerald Hicks that this meeting be adjourned until April 3, 1968 at 7 p.m.

ONTARIO HOSPITAL SERVICES COMMISSION

NEW HOSPITAL INSURANCE PREMIUMS

HOSPITALS AND HOSPITAL SERVICES ARE BETTER THAN EVER, BUT THEIR COSTS ARE RISING STEADILY...AND SO ARE OURS.

BETTER CARE—BETTER PROTECTION

Modern scientific hospital care is putting thousands of patients on the road to health every day. This care is the best that has ever been available—but it is becoming more and more costly to provide. Steadily rising hospital costs have, for many years, affected all hospitals across Canada and in other countries. Nevertheless, the quality of hospital care cannot be

sacrificed—facilities and service must constantly attain increasingly higher standards. In 1959, however, Ontario Hospital Insurance ended the worry of hospital expense for patients who need such care. Over 7 million Ontario residents, 99% of the people, have peace of mind in knowing that their hospital bills are 'prepaid' through their Government-insurance plan.

WHY COSTS CONTINUE TO RISE

PRICES ARE UP

Hospitals, like everyone else, are paying more for salaries, wages and fringe benefits, and more for food, drugs, equipment, supplies and services.

SERVICE IS BETTER

Medical science now provides many new, costly types of treatment which require admission to hospital. While these procedures prolong life and improve health, they also increase the use of hospitals and require more skilled staff, more facilities, more drugs and other expensive supplies.

HOSPITALS ARE USED MORE

Greater use is also being made of hospitals because there is no longer a financial barrier to necessary care, more hospital beds are available and there are increasing numbers of elderly citizens, many of whom require prolonged treatment in hospital. In 1947, Ontario had only 17,473 active treatment, chronic and convalescent hospital beds; in 1958 there were 31,000. Today there are over 46,800 such beds available to insured persons. More beds mean more patients, more cost.

PAY ENVELOPES TAKE MOST

About 75¢ out of every \$1.00 in insured hospital services represents salaries, wages and fringe benefits for hospital employees. Hospital staffs now enjoy employment conditions which are comparable in rates and hours of work

and fringe benefits to other similar occupations in the community. This means that hospitals, today, have more and better paid employees to provide their essential round-the-clock service for the sick and injured.

NEW PREMIUM RATES

There has been no change in Ontario Hospital Insurance premiums since 1964, and this has been made possible through increased Provincial Government contributions from general revenues to maintain the premium rates established at that time. In the years 1965, 1966, and 1967, the Provincial Government contributed \$176.5 million in support of the plan, plus some \$334 million for mental and tuberculosis care, and for special and capital hospital grants, to a total of \$510.5 million.

The Government has now found it necessary, however, to introduce new premiums to help meet the sharp increase in the cost of the Ontario Hospital Insurance Plan. The Provincial Government will continue to contribute substantially to the cost of hospital care, and the Federal Government's contribution will also keep pace with the rising plan costs.

The new premiums effective with regular advance payments for the benefit month of July, 1968, are:

BASIC STANDARD WARD INSURANCE

Single (no eligible dependants) - - - - - \$ 5.50 a month

Family (one or more eligible dependants) - - - \$11.00 a month

The above new rates will be payable on all regular group and pay-direct billings due in April, 1968, to cover the benefit month(s) beginning with July, 1968.

NEW BENEFITS

Consistent with its policy through the years of adding wherever possible to the benefits of Ontario Hospital

Insurance, the following new benefits will be available to insured persons on and after July 1, 1968.

OUT-PATIENT HOSPITAL SERVICES

Coverage for hospital out-patient services prescribed by a physician when associated with necessary medical treatment—but *not* drugs taken home, or diagnostic x-ray examinations or laboratory tests which are listed as benefits of the Ontario Medical Services Insurance Plan (OMSIP). Such x-rays and laboratory tests, however, will continue to be covered under present "emergency" benefits

and in follow-up treatment of fractures. These added benefits will include the use of a substantial list of care facilities at hospitals which are necessary to modern medical care and will close the gap between present insured services and those services normally covered by OMSIP.

ESSENTIAL AMBULANCE SERVICE

Also, benefits will be provided for ambulance service which is essential for the transportation of a patient. The patient will be required to pay a small portion of the cost

to the ambulance operator at the time the service is provided. Details of the benefit will be announced at a later date.

NOTE: The above summary is for your convenience only. For detailed information please refer to the Provincial and Federal acts and regulations regarding these matters, or write to the address below.

HEALTH INSURANCE REGISTRATION BOARD*

2195 YONGE STREET, TORONTO 7, ONTARIO.

*H.I.R.B.—The Health Insurance Registration Board set up by the Province to act as an agency for both Ontario Hospital Insurance and OMSIP.

The Health Insurance Registration Board is the central registration office handling enrollment, billing, and premium collection, and answering inquiries about the Ontario Government medical health insurance plans.

CARNARVON

Mr. and Mrs. Max McKay and Laurie, Bill McKay and Barbara Newell, Francis Thomas, Roger Thomas, Dennis Davies, Mrs. Vernal Harrison and Judy Harrison went on a snowmobile trip on St. Patrick's Day across several lakes and into the hunting camps and bush trails, arriving home again about seven in the evening. This almost ends our snowmobile activities unless old man winter hangs on.

Mr. Mike Miscio left on Sunday for Toronto with Mr. and Mrs. Ron Lawson and family of Toronto. On Wednesday Mrs. Mike Miscio, Carl and Amos and friends gathered at Mr. and Mrs. Lawson's to see Mike off at the Airport for Rome. Mrs. Lawson and children returned to spend a holiday with her mother and Carl.

Mr. and Mrs. Gordon Allcorn returned home and were accompanied by their granddaughters who spent the school holidays with them; they returned home with their parents, Mr. and Mrs. Phil Allcorn, to Toronto.

Master Sammy Marranca stayed with his grandparents, Mr. and Mrs. Amos Miscio, last week. Mr. and Mrs. Sinclair Russell and Colin spent last Friday in Toronto.

Mr. Jack Russell of Port Arthur, who is employed by the Department of Lands and Forests, has been spending the past week at the Forest Ranger School and visiting relatives in the area.

Mr. and Mrs. Andy Marranca and sons of Hamilton spent a few days with Mr. and Mrs. Amos Miscio and family.

Weekend guests of the Bud Medleys were Mr. and Mrs. John Atkins of Burlington. They were accompanied back to the city by Larry Medley.

Mr. and Mrs. Roger Harrison and children of Hamilton spent the weekend with the Hal Burtons and Bert Harrisons. Lisa and Glen stayed with their grandparents while Scott had his tonsils removed on Tuesday.

Mr. and Mrs. Bob Fletcher and children are spending the mid-winter holidays in the United States.

Mrs. Victor McBrien has returned home from a two month vacation in Jamaica and Florida.

Mrs. Laura Beetham of Toronto was a weekend guest of the Harvey Russells.

We regret to learn that Mr. John Irwin of Toronto has been hospitalized following a heart attack. John is the brother of Cecil Irwin, and has a great many friends made here over the years as he has maintained a summer home here. We all wish him well and a quick recovery.

Mr. Ron Russell of Toronto was home for the weekend, and he was accompanied home by his mother who has been in Toronto for a few weeks.

The Fellowship Group of the U.C.W. held a film showing on Monday night at the Christian Education Building.

Mr. Clayton Rogers and Mrs. Walter Harper have been up to their Carnarvon home each day in preparation for Clayton to move back to Carnarvon.

MINDEN

Mr. and Mrs. Jim Dawson and family of Ottawa spent a holiday with Mr. and Mrs. Lorne Dawson. Sympathy of the community to the family and friends of the late Mrs. Sam Nesbitt, whose funeral was last week.

Mrs. Lyman Cox and Mrs. M. Sears enjoyed a visit to the Norland Branch Women's Institute last Wednesday afternoon.

Master Craig Coulter of Kirkfield spent his mid-winter holiday with his grandparents, Mr. and Mrs. Angus Coulter.

The A.C.W. had a Card Party at the Parish Hall on Friday evening with the winners being Mrs. Pipher lone hand and highs to Mrs. Thurston and Jim Wright for Euchre, and Mrs. Thatcher and Len Lonsberry highs for Cribbage. Following the evening of cards the committee served a delicious lunch and a cup of tea.

Mr. and Mrs. Hubert Alton and Hugh report having an enjoyable holiday in the States.

There is to be an \$85,000 addition made to the Archie Stouffer Public School, with possibilities of a Kindergarten being operated here. This is necessary as there are 460 children in attendance at this area school.

Mrs. Jane Fairfield is spending April visiting her daughters in Toronto, Belleville and Ottawa.

Minden W.I. Hold
March Meeting

Mrs. Wm. Moore was hostess to the Minden Women's Institute at the Modern Aire Restaurant where 16 ladies met on Wednesday evening, March 20.

In the absence of Mrs. P. Clarke, Mrs. M. Sears presided, and led in the singing of "O Canada", the Ode and Prayers.

The minutes of the last meeting were read by the Secretary, and reports were given by Mrs. Kernohan and Mrs. D. Proulx, Treasurer.

The Afghan will be raffled off at the April meeting, which will be held in Mrs. Stevens' home on the evening of Wednesday, April 17. Our Tweedsmuir History will be exhibited.

A Card Party will be held in the Modern Aire Restaurant on Wednesday, April 3.

The Roll Call was answered by every member "Where our grandparents came from", and the collection and Pennies for Friendship followed.

The guest speaker was Mr. Fisher of the Bell Telephone Company of Canada, whom we welcome to Haliburton as the representative of our new system. Mr. Fisher gave an interesting resume of the system, its history, scope and financial status, and answered many questions from the audience. He was introduced by Mrs. Moore and was thanked by Mrs. Sears.

After the singing of "The Queen" and Grace a delicious lunch and a chat brought the meeting to a close.

Air Canada has ordered three 368-passenger Boeing 747 jetliners (pictured above) costing \$20 million each for delivery in 1971. These 600 mph aircraft offer a new dimension in air travel comfort and will be introduced on the company's transcontinental and trans-Atlantic routes in the summer of 1971. The main cabin area, extending forward to the nose of the aircraft, is 20 feet wide—seven feet wider than in present jets—allowing extra room for a lounge or private passenger area. There will also be an upper level behind the cockpit—connected to the main cabin area by a circular stairway—with space for a second lounge, business office, or private stateroom with bed.

If you own 1959 Canada Savings Bonds

Here's a special offer just for you

The Government of Canada has created a special new high-yielding security for the advance refunding of 1959 Canada Savings Bonds. These Special Replacement Bonds will be dated May 1, 1968, and will mature in 10 years 5 months on October 1, 1978. They will be available only in exchange for an equal amount of 1959 Canada Savings Bonds, and not for cash. Their average annual yield to maturity will be 6.88%. They will retain all the standard features which have made Canada Savings Bonds the most popular investment in Canada's history. This includes the right to cash them any time at any bank for full face value plus earned interest.

In addition, Special Replacement Bonds offer the opportunity to double your money. If you choose not to cash your regular interest coupons during the life of the bond, 3 Compound Interest Certificates then become payable for a total of \$280.00 extra (on each \$1,000.00 bond). This amount plus your regular interest coupons doubles your money. You can take advantage of this compound interest feature in various ways.

And that's not all. There will be two Prepayment Coupons, cashable May 1, 1968, attached to each Special Replacement Bond. They represent the 6 months' interest already earned by your old bond and the prepayment of the 3% non-taxable premium originally due November 1, 1968. On a \$1,000.00 bond, these two Prepayment Coupons will be worth a total of \$55.00.

The exchange procedure is simple. Take your 1959 Canada Savings Bonds to your bank, authorized investment dealer, trust or loan company. They will make all arrangements for you. Exchange your 1959 Canada Savings Bonds for the new high-yielding Special Replacement Bonds without delay. This offer expires on May 15, 1968.

How to recognize your 1959 Canada Savings Bonds

First, the serial number in red in the upper corner of each bond is preceded by "S14" in black. Second, the name of the issue, "Canada Savings Bond" "1959 Series" is shown just below the serial number.

ENGAGEMENT

The engagement is announced of Joyce Elaine, elder daughter of Mrs. Brown and the late Mr. Ernest George Brown of Peterborough, to John Robert Durant of Haliburton. The marriage will take place on Saturday, April 20, 1968 at 3 o'clock at Mark Street United Church, Peterborough Ontario.

Card of Thanks

I would like to thank all my friends who came to see me while I was in the Red Cross Hospital, and who sent cards, and thanks to the Nurses and Dr. Bowmer who took care of me. I thank everyone.
Gordon Cruikshanks.

I wish to take this opportunity to thank all my friends, relatives and neighbours who sent cards, flowers, gifts and letters while I was a patient in St. Joseph's Hospital in Peterborough. Special thanks to all those who helped me on my return home.
Nellie Holland.

Mrs. May Thayer would like to thank all those who have been so thoughtful of her by their cards, letters, gifts and enquiries over the past four months.

We wish to express our sincere thanks to relatives, friends and neighbours for floral tributes, messages of sympathy, and acts of kindness shown to us during the loss of our dear Mother. Special thanks to Rev. John Smith and the John Welch and Son Funeral Home.
The Henry Family.

IN MEMORIAM

DEAN — In loving memory of a dear husband, James, who passed away April 1, 1965. No morning dawns, no night returns,

But that I think of you;
Those left behind are very good,
But none replaces you.
Many a silent tear is shed
When I am all alone;
The one I loved so very much,
The one I called my own.
—Deeply loved and remembered by his wife Nellie.

DEAN — In loving memory of our dear dad, James, who passed away April 1, 1965. We often think of bygone days when we were all together. The family chain is broken now but memories will live forever. To us he has not gone away nor has he travelled far. Just entered God's eternal home and left the gate ajar.
—Forever loved and missed by Lorna, Bill and Family.

DEAN — In loving memory of a dear father, James Dean, who passed away April 1, 1965. He is gone but not forgotten. And as dawns another year, In our lonely hours of thinking Thoughts of him are always near. Days of sadness will come o'er us, Many think the wound is healed, But they little know the sorrow That lies in the heart concealed.
—Ever remembered by Russell, Ethel and Family, and Vera.

DEAN — In loving memory of a dear father, James Dean, who passed away April 1, 1965. We do not forget you nor do we intend,

We think of you often and well to the end;
Gone and forgotten by some you may be,
But dear to our memory you ever will be.
—Ever remembered by Walter.

WARDER — In loving memory of Bert Warder, who passed away on March 28, 1963. His smiling way and pleasant face Are a pleasure to recall, 'He had a kindly word for each And died beloved by all. Some day we hope to meet him, Some day, we know not when; To clasp his hand in the better land, Never to part again.
—Ever remembered and sadly missed by Wife and Family.

NEWS NOTES

Sympathy of the community is extended to the family of the late Mr. Clifford Henderson, whose death occurred in Peterborough recently; also to the family of the late Mrs. Ellen Henry. Mrs. Henry, who passed away in Oshawa, was a former resident of the village.

Misses Donna Filman and Delaine Moore spent a few day's holiday in Burlington. Mr. and Mrs. Carl Wallace have returned from a bus tour which included Washington, D.C.

Mr. and Mrs. Moss Kellett of Cornwall and also Mr. and Mrs. M. McCauley of Oshawa spent a recent weekend with local relatives.

Mrs. C. Schroter and Candie spent part of last week with friends in Cornwall.

Friends are pleased to learn that Mrs. Bowen is well enough to be home again.

Stephen Besse spent the holiday week with the Ross Hainers in West Hill.

Mrs. Everett Upton is spending some time with the Jim Thornes and her new grandson in Beamsville.

Mr. and Mrs. Grey Sisson of Port Credit spent the weekend with his parents.

Miss Doris Chambers spent last

week at her home in Aurora. Mr. and Mrs. Walter Hobden and Mary Jane of Eganville were at their home here for the holiday week.

Welcome to Mr. and Mrs. Dale Henry and baby daughter, who are now living in the village.

Mr. and Mrs. Lorne Fry and Bill Fry of Toronto were home for the weekend.

Congratulations to the Eldon Bulls on the birth of a daughter in Haliburton Hospital recently.

Card Party Held At Orange Lodge

The Men's Orange Lodge had a large crowd at their Card Party held recently.

The winners were Lloyd Ackersblade, Alice Pogue, Dora Dawson, Harvey McIntosh, Blanche McIntosh and Bill Burns.

The raffle had as winners Gino Csicsmicio \$30.00, Mrs. Angus Coulter \$20.00, and Raymond Witt \$10.00.

Following the evening of cards the gentlemen served a delicious lunch and cup of tea, and all enjoyed a social half hour.

CHURCH NEWS

ANGLICAN CHURCH NEWS

St. Paul's Card Party

As reported last week, there is a period of "let-up" in the season of Lent, and the Card Party last Friday was a welcome break in the austerity of this time. A goodly number of people turned out in spite of the weather, and, as usual, everyone seemed to enjoy the evening tremendously. The prize winners were: for Euchre - Ann Thurston for the ladies, Jim Wright for the gentlemen, with Audre Pipher as the lone hand winner; for Cribbage - Adele Thatcher for the ladies, Len Lonsberry for the gentlemen. As Mrs. Thatcher has only learned to play this game during the last few months, and it was her very first card party, she was astonished and delighted to find herself the winner!

Mothering Sunday

Starting an old English tradition at St. Paul's, a Simnel Cake was baked for this day. Miss Colleen Hewitt undertook

this quite difficult culinary task with many misgivings, but she needn't have worried. . . the resulting cake was a masterpiece! All the Church School members received a piece to take home to mother, and many of the adult congregation also were lucky enough to get a share. The rest of the cake was cut and wrapped for the congregation at Boskung, who were most interested and appreciative. Miss Hewitt deserves a big vote of thanks from both congregations for her effort. It is hoped that this will become an annual custom in the Parish of Minden, and that there will always be someone as willing and as good a cook as Colleen to take on the job!

Wedding at Maple

It is felt that the people of the Parish of Minden will be interested to know that the Rector and Mrs. Thatcher's son, Julian, is to be married to Miss Linda Graham at St. Stephen's Church, Maple on Saturday, April 6th. Julian and Linda have attended

services on many occasions at St. Paul's when they have visited Minden, so they will be known to quite a few of the congregation. Mr. Thatcher will be conducting the service, assisted by the Rev. Dr. Ramsay Armitage, Rector of St. Stephen's, of which Parish Miss Graham is a member. In view of the necessary arrangements before the wedding, the Rector and Mrs. Thatcher will be in Toronto for the first week in April. Arrangements have been made for Captain R. E. Sims, C.A., to take the Wednesday evening service and discussion on April 3rd, and the Rev. Ray Carder of Haliburton will celebrate Communion on Thursday morning, April 4th at 10:00 a.m. The Rector and Mrs. Thatcher will be returning to Minden in time for Palm Sunday services on Sunday, April 7th.

GOODERHAM

The Friendship Circle was held at the home of Mrs. Robt. Fotheringham on Wednesday, March 20, and an enjoyable social time was spent.

The sympathy of the village is extended to former residents, Mr. and Mrs. William Madill of Beaverton, whose 16-year-old son Reginald was killed in a car accident near Lindsay last week.

The Glamorgan Library Committee met on Tuesday, March 19 at the Municipal Building. The Library will be open one or two extra hours a week as of May 1st, for the convenience of the members. There was an exchange of books this week, and everyone is already invited to drop in and browse around.

Mr. and Mrs. Glen Pitts took a group of the young people of the Pentecostal Church to a Youth Convention in Toronto at the Evangel Temple on the weekend of March 15 - 17. The speaker was Mr. Art Clay.

Mr. and Mrs. Allan Hadley enjoyed a visit from two of their grandchildren this week.

Miss Ruth Barr and Christena Pickens spent the holiday week in St. Catharines with Mr. and Mrs. John Mackie.

We are pleased to hear that Mrs. Garnet Hadley who has been very ill this winter is improving. She is in the Hyland Crest Home in Minden.

Mr. and Mrs. Moss (Madill) and family spent the holiday week with his parents, Mr. and Mrs. Allan Madill.

WILBERFORCE

Mrs. Mildred Speers is visiting her sons and daughters-in-law in Toronto.

Mr. and Mrs. Earl Smith have returned from a visit with relatives in Calgary, Alberta.

Last Wednesday Mr. and Mrs. Frank Stevens and sons of Orillia called on many of their friends in Wilberforce and district.

Mrs. William Kennedy and children visited with relatives in Toronto last week.

Mr. and Mrs. Arthur Saunders were in Toronto recently. Their daughter Joyce was married to Mr. Robert Rully of Willowdale on Saturday, March 16. The happy couple are honeymooning in Bermuda.

Mr. and Mrs. J. Wallace have returned from a vacation in Hawaii.

Mrs. Karl Tallman and children visited with her mother in London, Ontario during the school vacation.

Mrs. Mel Croft, Karen and Michael enjoyed a trip to Southern Ontario last week.

Mr. Ross Lautenslager of Hamilton and Mr. Bob Bailey of Stoney Creek enjoyed a few days ice fishing near Wilberforce.

Mr. and Mrs. T. E. Detenling were in Welland and Port Colborne last week. On Tuesday they attended the funeral of the former's sister, Miss Margaret Detenling.

OBITUARIES

ALBERT E. CARPENTER

There passed away in Oshawa General Hospital on Wednesday, February 21, 1968 Albert Edward Carpenter, in his 87th year.

The late Albert Carpenter was born at Brighton, England on October 26, 1881. He served in the South African War, and after returning to England he took as his first wife the late Florence Wadron. Of this marriage there were two sons, Alcott and Edward, both of Ingoldsby, Ontario. The late Florence Wadron passed away before he emigrated to Canada in 1913, when he settled at Gormley, Ont.

When World War I broke out in 1914 he answered his country's call, serving in England and France until he was wounded in 1917 and returned to Canada in that year.

On August 22, 1918 he was united in marriage to Mary Louisa Pope, and of this marriage two sons were born, William of Ajax and Bernard of Lindsay.

The late Mr. Carpenter was a member of St. Sam Hughes Branch of the Royal Canadian Legion, Lindsay, Ont.

Left to mourn the loss of a loving husband and father are his wife Louisa, sons Albert and Edward of Ingoldsby, William of Ajax, and Bernard of Lindsay; also three step-children, Mrs. Katie Thompson of Oshawa, Jack Pope of B.C., and Mrs. George Watson (Mac) of Haliburton. One step-daughter, Mrs. Sid Johnston (Jessie), predeceased him in 1960.

The remains rested at the John Welch and Son Funeral Home until Saturday, February 24, where the service was conducted by the Rev. R. J. Carder, thence to Evergreen Cemetery, Haliburton.

Palbearers were grandsons of the late Albert Carpenter, namely William Carpenter, David Carpenter, Albert Carpenter, Eric Thompson, Bill Johnston and Albert Wilson.

LOCLIN RUSSELL SPIER

Residents here will be sorry to learn of the sudden passing of Loclin Russell Spier, which occurred at his late residence at 413 Dundas Street West, Trenton on Thursday, March 7, 1968.

Lockie, as his many friends and acquaintances called him, was the son of the late William and Charlotte Spier of this village, and had resided in Trenton ever since leaving there as a young man.

His deceased had just returned home after driving a truck to Quebec, and although he did not feel as well as usual he however reported for work, but shortly after returning home he complained of being ill and said he was going to lay down for a while. His wife, sensing that all was not well, called the Doctor, but on his arrival Lockie had passed on. At the time of his demise he was in his 50th year.

Surviving are his sorrowing wife, the former Madeline Bell, and two Aunts, namely Mrs. Agnes McEvoy of Trenton and Mrs. Jean Reid of Rochester, N.Y.

The funeral service was held from the Rowe Funeral Home in Frankford on Saturday, March 9 at 11:00 a.m. Entombment was made in Frankford Cemetery Vault.

EUGENIO FORMICA

At the Haliburton Red Cross Hospital after a lengthy illness, Eugenio Formica entered into rest on Saturday, March 9, 1968, at the age of 63 years.

He was born in Sarnano, Italy on March 9, 1905, the only son of the late Giovanni Formica and Filomena (Papi) Formica. In 1923 at the age of 18 he immigrated to Canada.

On December 12, 1927 he married the former Vittoria Biagi. For several years he cut cord wood for local lumber firms, and in 1932 he purchased his first truck and started a transport business which he operated until 1959.

Left to mourn his passing are his wife and three daughters, Mrs. Gordon Pearsell (Mary) of Haliburton, Mrs. Howard Roberts (Gladys) of Haliburton, and Mrs. Joe MacCauley (Deena) of London, Ontario, and six grandchildren. Also surviving are three sisters living in Italy.

Requiem Mass was sung in St. Anthony's Roman Catholic Church, Haliburton on Tuesday, March 12 at 11:00 a.m., with the Rev. H. J. Malony officiating. Altar boys were Louis O'Hara, Larry O'Neil, Mike Mahoney, and two grandsons, Deeno Pearsell and Steven Roberts.

Palbearers were Renzo Milucci, Ercole Milucci, Ted Carducci, Ralph Biagi, all of Toronto, and Armando Salvatori and Mike Biagi of Haliburton. Funeral Directors were John Welch and Son.

Temporary entombment was in Evergreen Cemetery Vault, with interment in St. Anthony's Cemetery, Haliburton, Ontario.

"Eternal rest grant unto him, O Lord; And let perpetual light shine upon him."

* * *

ELEN KATHLEEN HENRY

Following a short illness, the death occurred on Friday, March 15, 1968 at the Oshawa General Hospital of Mrs. Ellen Henry. She was in her 71st year.

The former Ellen Kathleen Henry was born in Essonville, Ontario on April 4, 1897 and married the late William (Bill) Henry on December 25, 1912. She was predeceased by her husband on July 21, 1951.

Left to mourn the loss of a dear mother are five sons, Jim Herb, Bill, and Sid, all of Oshawa, and Len of Eagle Lake; and also six daughters, Mrs. Henry MacMill (Mary), Mrs. Gordon Jones (Ada) and Mrs. Ken Carnochan (Teresa), all of Oshawa; Mrs. Sloan Crabbe (Elsie) of Warsaw, Mrs. Lloyd McNeely (Gladys) of Wilberforce, and Mrs. Orn South (Elda) of Toronto. She is also survived by one sister, Mrs. Mary Gibson of Tory Hill, and one brother George MacMill of Haliburton. She was predeceased by two sons and three daughters.

The memorial service was conducted by the Rev. John Smith at the John Welch and Son Funeral Home in Minden at 2 p.m. on Monday, March 18, thence to the Vault in Haliburton. Burial will take place later in Evergreen Cemetery, Haliburton.

The palbearers were all grandsons of the deceased, namely Gordon, Jim and Dale Henry, Murray MacMill, Ken Coumbs and Theodore Sangison.

Provisional County Of Haliburton 1967 Auditor's Report

The Warden and Councillors,
Provisional County of Haliburton,
Minden, Ontario.

Gentlemen:

We have completed our audit of the accounts of the Provisional County of Haliburton for the year ended December 31, 1967 and have prepared the statements as listed on the attached index.

The Capital and Loan Fund Balance Sheet, Statement A, shows general fixed assets of \$984,863. These fixed assets include the cost of fixed assets of the Senior Citizen's Home in the amount of \$833,441.

Debentures outstanding totalled \$730,300. This total is made up of \$337,000 on the Senior Citizen's Home and \$393,300 for school debentures. The Capital and Loan Fund Balance Sheet is thus a consolidation of the fixed assets of the County, including the Senior Citizen's Home.

Schedule A-1 shows where funds for capital purposes were secured during the year and how these funds were used. Included in funds secured is the sum of \$57,912 expended on the County Development Road in 1967, for which the funds were received from the Department of Highways for a like amount.

Statement B, which is the Revenue Fund Balance Sheet, sets out details of the current assets and current liabilities of the County. This balance sheet is a consolidation of the current assets and liabilities of the County and the Hyland Crest Senior Citizen's Home. We did not attend the taking of the physical inventory of supplies.

The Revenue Fund Surplus Account is shown on Statement C. There was a surplus for the year of \$35,343, which resulted in a net surplus at December 31, 1967 of \$7,754.

Details of revenue and expenditure for the year are shown on Statement E. The year's operations resulted in a surplus for the year of \$35,343. The deficit on operations of the Hyland Crest Senior Citizen's Home for 1967 was \$32,293, which is shown in the expenditures under the heading of Public Welfare.

Statements L-1 and L-2 show the operations of the Haliburton County Public Library Board. We noted that during 1967 the board had borrowed from a chartered bank an amount of \$4,000, which amount was repaid during the year. We found no approval from the County Council for this borrowing. In our opinion, under the regulations of the Department of Municipal Affairs, the board does not have the power to borrow money.

It has been noted that on occasion cheques have been pre-signed by one of the signing officers in advance of filling in the body of the cheque. This procedure nullifies the control feature intended.

It would seem advisable that a review be made of insurance coverage on the contents of the Senior Citizen's Home, and also on the building and contents of the Registry Office.

EAKINS AND MACDONALD, Auditors
Toronto, March 8, 1968. License Number 3223

AUDITOR'S OPINION

Subject to the qualifications in our report, we report that in our opinion:-

(1) The financial transactions which have come under our notice have been within the powers of the municipality.

(2) The audit has been conducted in accordance with the instructions of the Department of Municipal Affairs.

(3) The financial statements present fairly the financial position of the municipality as at December 31, 1967 and the results of its operations for the year ended on that date.

Hyland Crest Auxiliary Meeting

The 19th regular meeting of the Women's Auxiliary of the Hyland Crest Senior Citizens' Home was held in the Craft Room of the Home on Tuesday, March 12th, 1968 at 8:00 p.m., with a fair turnout considering the bad weather.

Mrs. Elsie Bursey, the President, opened the meeting with the Auxiliary prayer.

It was agreed that we would purchase three full-length mirrors for use in the women's section.

A new organ was donated for the Chapel by the Gordon MacKay Memorial Fund, with the balance being subsidized anonymously. The old one is to be set up in the Craft Room for the residents to use if they wish. A mangle was also donated for the Laundry Room.

It was also agreed that we would see about purchasing a wheel chair, and also a walker.

We have three student volunteers helping during the supper hour at the Home, and if any other students are interested please get in touch with Mr. Wade, the Superintendent at the Home.

After a short meeting we all adjourned to the Auditorium to prepare for the forthcoming St. Patrick's Card Party.

C.N.I.B. News

The year 1968 is the 50th Anniversary of The Canadian National Institute for the Blind. Today it has fifty offices from coast to coast serving 26,049 blind Canadians.

The Canadian National Institute for the Blind is celebrating its Golden Jubilee. C.N.I.B. is not a government agency, but is governed by interested citizens who sit on boards on county, province and national levels.

The first service for the blind of Canada was a library set up in 1906 in Markham, Ontario. Today, the Canadian National Institute for the Blind serves 5,000 readers with books in Braille and on recordings.

The "Blindcraft" trademark identifies products made by the blind and sold through the Canadian National Institute for the Blind. Unless an article has this trademark, it is not a C.N.I.B. product. C.N.I.B. does not solicit sales by telephone.

The Eye Bank of Canada was established in 1956. Today, 1500 Canadians, now blind, could receive sight if more eyes were available. There is no cost to the donor or the family.

Tin foil does not buy a Seeing Eye Dog. They are provided to the blind through the Canadian National Institute for the Blind.

Not all blind persons are totally blind. A person with less than 10% vision is considered blind.

Coming Events

The musical play "Mary Poppins" will be presented by the students of Lakeview School under the direction of Mr. Bill Gliddon, on Thursday (7:00 p.m.), Friday and Saturday, March 28, 29 and 30 at 8:00 p.m. at the Haliburton Highlands Secondary School Auditorium. Admission: \$1.25 for Adults, .75c for Students. Advance tickets are now available from Lakeview School students for \$1.00 and .50c.

"Art In Everyday Life". This Saturday evening at 8 p.m. our Art Centre on the Main Street in Haliburton will present free to the public a special showing of colour films. These films will vividly illustrate the role that architecture and design have played in our lives due to their exquisite forms, functions and beauty which have evolved throughout the ages.

The last Card Party of the season of the Minden Women's Institute will be held in the Banquet Room of the Modern-Aire on Wednesday, April 3 at 8 p.m. Prizes, lunch and a social evening.

Did You Know

Ontario Hydro has nearly 70,000 miles of high-voltage transmission and low-voltage distribution line — enough to stretch about three times around the globe at the equator?

Malicious damage to Hydro installations can cause power interruptions or create hazards to life and property? The cost of repairs is ultimately reflected in the cost of power.
